

Dear Naeffen-cousins

The Naeffen spirit is calling: The next Naeffenfest will take place on June 21/22/23, 2024 in Altstätten SG. And we want you and your family to be there. We're meeting up for the 57th time!

We have once again prepared a three-day festival for you so that we can all celebrate and enjoy being together as much as we like.

You can [download the program as a pdf HERE](#) to print it out:

We have prepared all the important information about registration on these pages, [which you can download HERE](#). **Please register by April 30th.**

We would like to ask you to [register ONLINE for the festival](#). This makes our work much easier and you can view your registration at any time. If you have any questions or need help, please contact anmeldung@naeffenfest.ch.

Our website www.naeffenfest.ch has awoken from its five-year slumber and will be providing the latest information about the festival. There you will also find the link for registration and the registration form at www.familytree.naeffenfest.ch. If you wish, you can also return the registration form by post (Tobias May, Schloss-Str. 37, 8803 Rüschlikon) or scanned in by e-mail (anmeldung@naeffenfest.ch). However, registration by family tree is strongly preferred.

Our address list now contains almost 1500 members of the Naeffen family. The extra Naeffen tool to keep the family tree and the address list up to date is working. You can log in to www.familytree.naeffenfest.ch with the email address we used for this mailing. If you forgot your password, click on "Forgot password" and the program will send a password to your email address. With this you can log in (again with the email address and password) and you can look around, make changes and register for the festival.

If you need help to access the internet, ask your children, nieces or nephews to do this for you or send an email to stammbaum@naeffenfest.ch.

Our vision is that lots of families with big and small children can come to the festival. To achieve this, we would like to reduce the festival costs per person, as we did last time, and finance the festival budget of around CHF 40,000 partly through sponsorship contributions from the family. Is it possible for you to help us with this? Thank you already for your support! You can find the payment details at www.naeffenfest.ch.

We are looking forward to your numerous registrations for the three days in Altstätten! Of course, you are also welcome to take part in the festival on Saturday only.

With a hearty Naeffengruss
